Importance: High

Hello Gorge Dam PCT,

I have two doodle polls for you to fill out **by Monday, Jan 27**. One is for our next conference call, which will be a little bit longer than our usual monthly calls. We will be providing our usual update on the project and then setting the stage for

the upcoming pre-design workshop, so we'll share the agenda with you and walk through the various components of the design that we will need your input on.

2-hour conference call:

The other doodle poll is to schedule the half-day, face-to-face, pre-design workshop. I forgot to add times to the doodle poll, but I'm anticipating 9:00AM to 1:00PM eastern time unless everyone thinks an afternoon meeting is better. If you have a strong preference for the time of day we meet, please let me know.

Half day (4 hour) face to face meeting:

Thanks!
